EXPERIENCE ART

Explore Our
Art Classes

Jonesy's classes empower students to enhance their artistic abilities through a transformative journey guided by an experienced teacher.

Who

While most of Jonesy's students are from the surrounding international schools, all are welcome. The only requirement is motivation to learn drawing skills and an openness to meeting others. The classes are taught in English, so an understanding of some English is required.

What

Jonesy's art classes teach fundamental drawing skills that can be stored, built upon, retrived, and applied anywhere.

Jonesy employs various mediums, such as watercolors, markers, colored pencils, and oil pastels, to add sparkle to their works. Unlike many art classes, Jonesy's weekly classes focus on developing skills that students can apply independently outside of the classroom. Every week new skills, every week more confidence!
